**KIND ATTENTION OF THE PARENTS/GUARDIANS OF CLASS: III**

This is to bring to your notice that students going to class III in the academic year 2023-2024 , will have only Noon Shift school. However, those who face genuine problems and prefer only morning shift for the said classes, the school may be able to make a provision to hold only Four Divisions for class III in the Morning Shift at the old School campus, Nr. Maninagar Railway Station .

Interested parents of the above mentioned class are requested to submit a written application requesting for the morning shift and the students will be selected by a draw of lots method at Shalom Hall on 21/04/2023 at 9:30 a.m. in the presence of all the parents who have applied for the morning shift. The application form should be submitted to the respective class teachers on or before 20/04/2023, Thursday.

The School Management has been eagerly waiting to put up a new school building at the old school premises since long time. Due to some technical issues, it has been delayed. Whenever our plan works out, we shall start the construction of the new school building. At which time, we may be required to shift the class III back to New School in the Noon shift only. Hence, you are requested to plan judiciously and do the needful.
